## **PalletOne to Open New Location in Douglas**

PalletOne, the nation's largest new pallet manufacturer, will open a new manufacturing plant in Douglas at the former location of Marine Manufacturing off Shirley Avenue.

Work will begin on December 1, 2015, with 15 employees. The Douglas facility will repair recycled pallets. They are looking for general laborers, especially those with experience in the pallet repair industry. They offer a full benefits package to all employees.

For those interested in applying, visit [www.palletone.com](http://www.palletone.com) and click on Employment. When applying, click on Hazlehurst location and make notes in the online application that Douglas is preferred.

Applications are also being accepted at their Hazlehurst facility to staff the Douglas plant. Visit them at 566 Baxley Highway in Hazlehurst.
